## Westerly Child Terribly Scalded

Fort Mansfield Private in Hands of Westery Thugs—  
Main Street Improvements—Proverbial Gratitude Demonstrated—oast Artillery Mail Orderly Disappears with Several Hundred Dollars.

Mail Orderly William Merrick of the Eighty-eighth company, Coast Artillery, stationed at Fort Mansfield, has disappeared, and it has been discovered that he has stolen several hundred dollars entrusted to his care to carry from the fort to the postoffice at Watch Hill. Some of the money was enclosed in addressed envelopes and more of it was given the mail orderly to get money orders at the postoffice. Merrick has not been seen at the fort since he left on the early Tuesday afternoon trip for the Watch Hill postoffice. The particular theft here referred to was all in that particular mailing trip, and it is assumed that Merrick's thieving methods were not commenced at that time and that previous losses will now be explained and determined upon inquiry.

George Randall, civilian plumber at the military post, was the heaviest loser in Tuesday's transactions. He placed \$125 in bills and an endorsed check for \$75 in his bank book and deposited the same for mailing for a deposit in a bank in Portland, Me., which is his legal residence. He was careful to iron the bills smooth so as to make them pass as easily as possible. When Merrick reached the postoffice the end of the large Randall envelope had been opened and the orderly hurriedly endeavored to seal the opened end and it was mailed to destination. Merrick had abstracted the cash and received cash for the endorsed check at the Washington Trust company bank. He took \$90 for a money order from another \$51 from the surgeon and \$20 from Private McCurk. It is known that the amount taken on this last trip by Merrick was at least \$266. In addition there were bills of small denominations in several letters entrusted to Merrick for registry, but the money was abstracted before the letters were registered. He also stole a custom made suit of civilian clothes from the locker of one of his workmen.

It is suspected that Merrick has gone to New York and the police department has been notified to be on the lookout for him. Information being given as to his probable haunts and which will probably lead to his arrest. Merrick is only 20 years of age, enlisted from Albany, and is described as being five feet eight inches in height, weight about 150 pounds, dark hair, with a peculiar Mongolian tinge in his eyes. He was quite intelligent and was selected as mail orderly upon the supposition that he was strictly honest and trustworthy.

Nellie Di Pietro, three years of age, was terribly scalded by upsetting a kettle of boiling water on her breast and shoulders at the home of her parents in Pierce street Thursday afternoon. Mrs. Di Pietro placed the kettle on the kitchen floor and while her

## COTTOLENE

Shortens your food—Lengthens your life

Cottolene is a wholesome product. It is made from Cotton Seed Oil in a thoroughly modern and hygienic manner, and is just as pure as olive oil. It is a clean product because its source is clean. From Cottonfield to Kitchen—human hands never touch the oil from which Cottolene is made.

Cottolene makes a palatable, digestible, healthful food, which will agree with the most delicate stomach. Lard food, on the contrary, is indigestible, and will cause trouble sooner or later.

Cottolene is a product of nature. Warmed into life by the Sun on Southern Cotton Fields, nurtured by rain and dew, the cotton plant finally concentrates in its seed that life-giving and life-sustaining quality which is the basis of Cottolene.

There is no substitute for Cottolene, because there is no other shortening so good.

## COTTOLENE is Guaranteed

Your grocer is hereby authorized to refund your money in case you are not pleased, after having given Cottolene a fair test.

## Never Sold in Bulk

Cottolene is packed in pails with an air-tight top to keep it clean, fresh and wholesome, and prevent it from catching dust and absorbing disagreeable odors, such as fish, oil, etc.

## Tranges

Have an Ash Hod in the base into which all the ashes fall far below the fire. They can't bank against the grates and warp them, and they can be emptied easily without spilling.

The Coal Hod is alongside the Ash Hod—out of the way. This feature is a wonderful labor and trouble saver and is patented.

Another trouble-saver of the Crawford is the patented Single Damper. One motion—slide the knob to "kindle," "bake" or "check"—the range does the rest. No damper mistakes.

The Oven has cup-joint heat flues that heat it alike in all parts.

## FIRST DOSE MAKES INDIGESTION GO

Heartburn, Gas, Dyspepsia and all Misery Caused by an Out-of-Order Stomach Vanishes Before You Realize It—Just a Little Diapepsin Will Make You Feel Fine.

If your meals don't fit comfortably, or you feel bloated after eating and you believe it is the food which fills you; if what little you eat lies like a lump of lead on your stomach; if there is difficulty in breathing after eating, eructations of sour, undigested food and acid, heartburn, brash or a belching of gas, you can make up your mind that you need something to stop food fermentation and cure indigestion.

To make every bite of food you eat aid in the nourishment and strength of your body, you must rid your stomach of poisons, excessive acid and stomach gas which sour your entire meal—interfere with digestion and cause so many sufferers of Dyspepsia, Sick Headache, Bloatingness, Constipation, Griping, etc. Your case is no different—you are a stomach sufferer, though you may call it by some other name; your real and only trouble is that which you eat does not digest, but quickly ferments and sours, producing almost any unhealthy condition.

A case of Pape's Diapepsin will cost fifty cents at any Pharmacy here, and will convince any stomach sufferer five minutes after taking a single dose that Fermentation and Sour Stomach is causing the misery of Indigestion.

No matter if you call your trouble Catarrh of the Stomach, Nervousness or Gastritis, or by any other name—always remember that a certain cure is waiting at any drug store the moment you decide to begin its use.

Pape's Diapepsin will regulate any out-of-order Stomach within five minutes, and digest promptly, without any fuss or discomfort all of any kind of food you eat.
